

Course Information

ANMEC offers the **Ageing** specialisation. ANMEC has partnered with leading providers in aged care to deliver a contemporary course responding to the needs of industry.

The training uses evidence-based practice to support the principles of a person centred approach, and engages learners to deliver care that places the person receiving care, with inclusive decision-making and informed choices about activities of daily living.

Benefits for students

- Acquire skills for work in the health and community services industries
- Educators are registered with AHPRA and have extensive and current experience in a variety of health care settings
- Contemporary program delivering a person-centred approach to care

Funding Criteria

- Must be in year 11 or 12 and turning 16 in the year of study
- Australian citizen, permanent resident or eligible VISA holder

Pre-Course Experiences/Pre-Requisites

This program is suitable for students who are:

- In year 11 or 12
- Have successfully completed the VETRO process inclusive of Language Literacy and Numeracy Testing
- Attended ANMEC's orientation sessions in Term 4 2024

Structured Work Placement

Students undertake a minimum of 120 hours of work placement. At ANMEC, these are conducted in 1 or 2 week blocks during school holidays.
