## 2024 YOUNG WOMEN IN STEM

Dear Parents/Caregivers,

Charles Campbell College has successfully gained 15 positions at the 2024 Young Women in STEM event. Your daughter has been invited to attend the one-day session at the University of Adelaide.

This unique one-day program is hosted by the University of Adelaide and empowers young female students to pursue studies and careers in the growing fields of science, technology, engineering and mathematics (STEM), where they have traditionally been under-represented. It provides an opportunity for students to engage with world-class academics, university student ambassadors, and industry representatives, and apply their problem-solving, communication and teamwork skills to a range of activities.

### Arrangements:

**When:** Wednesday 3 July 2024

**Time:** 8:30am – 2:30pm

**Where:** Bonython Hall, The University of Adelaide, North Terrace campus.

**Travel:** Students will be travelling on a school bus with a teacher. Students will meet the teachers at 8:15am at the resource centre.

**Lunch:** Students are advised to either BYO food or be prepared to purchase food at one of the on-campus cafés.

*Please note that there is strictly **no eating or drinking** in the labs. This extends to no food or drinks being out of bags.*

**Uniform:** Student are required to wear their correct school uniform. Fully enclosed shoes are essential for all attendees.

**What to Bring:** Morning tea and lunch, a water bottle is recommended and can be re-filled throughout the day. School bags are optional – students will need to carry these with them throughout the day.
