COURSE SUMMARY

The Certificate II in Retail Cosmetics (SHB20121) is the entry level qualification for the makeup industry and is available for secondary school students to undertake as a VET (Vocational Education Training) course.

The qualification prepares students to sell, demonstrate and apply products in a retail cosmetic environment – such as a salon, makeup studio or department store. Course units include elements of makeup design and application, speciality techniques and in-store operational duties.

Upon successful completion, VET graduates will receive a nationally recognised qualification that can be used to seek employment, up to 75 SACE Credits for Stage 1 and may be eligible for RPL (recognised prior learning) credits if they continue studies.

UNITS – 9 CORE, 6 ELECTIVE*
