AFL Max is a state-of-the-art play and development centre that brings together the latest in technology and traditional skills development; it's also a lot of fun! Students will have access to a range of activities at the Aerial, Bump, Tackle and Climb Zones. There is also an Interactive Zone for students who enjoy video games.

The excursion is being organized in collaboration with Variety SA, a reputable organization dedicated to promoting inclusivity and providing unique experiences for children and young people. We are grateful for their support and commitment to making this excursion possible for our students.

We believe that this excursion will be a wonderful opportunity for our Inclusive Education students to engage in a shared experience and further develop their social inclusion and physical skills.

Please note that due to a limited number of tickets, we will prioritise students who return their consent forms promptly. We will not be able to accommodate students who submit their forms after our quota has been reached.
